Sharing Our Pets' Love

Certification of Volunteer-Pet Team approved for visits to Health Care Centers in Arizona

The following animal has been certified healthy by a Veterinarian, has had all required inoculations, and has been evaluated by a trained Pets On Wheels evaluator. It has been found to be of good temperament, obedient, and friendly towards residents or patients of nursing homes and hospitals. Its owner has studied extensive guidelines, attends quarterly meetings, and has pledged to make every effort to visit weekly.

The animal, a _____ named _____, and its owner, _____, are approved to make weekly visits to health care centers in Scottsdale, Arizona, where they are expected to do much to enhance the lives of the elderly and/or infirm who are now deprived of their natural home life and comfort those who are ill.

Date of initial pet health certification*: _____

Date of team evaluation & certification: _____

Pets on Wheels evaluator: _____

* Veterinarian pet health examinations required annually.

*Re-certification every 3 years (pending facility requirements)
