Sharing Our Pets' Love

VOLUNTEER'S PLEDGE

1. I understand that considerable effort, volunteer time, and expense go into the administration of the Pets on Wheels of Scottsdale program.
2. I understand that, if I and the other volunteers carry out an honest commitment to visit regularly, those we visit will enjoy the greatest benefits, our pets will enjoy the regular outings and socialization.
3. I have carefully considered my weekly schedule and priorities, as well as the nature and personality of my pet, and hereby, make a commitment to make every possible effort to visit a designated care center weekly.
4. Further, I will be rewarded, knowing that I am sharing the love and friendship my pet has given me, with others less fortunate, and knowing I am helping to make the overall program most effective.
5. I understand that the quarterly volunteer meetings are part of my training, and I will do my best to attend each meeting.
6. I will advise the Volunteer Coordinator if I cannot continue on a regular, dependable basis, if I will not be able to visit for an extended length of time or will have to quit for whatever reason. (Just let us know)
7. I have studied the visiting guidelines and will follow them carefully.

By signing this pledge, I will do my best as a responsible volunteer.
